

If you wish to support the Artesana Collective, you will need to do this with a donation to CoDevelopment Canada (CoDev), an NGO based in Vancouver with a long history of connection to Central America. (Since, by Canada Revenue Agency rules, Highlands can no longer send donations to Artesana and issue tax receipts.) More information about this organization can be found at [www.codev.org](http://www.codev.org) . CoDev will issue you a tax receipt.
